Caretakers for the musafirkhanas at Mugur, Sosale & Talakad and increase of pay to the Conservancy peon in Sosale Union

From

The President. District Board, Mysore.

No. 511 Dated 17th January 1910 Received 20th January 1910.

Diary No. 4933 | Enclos. | Spare Copies | Serial No. 1

BRIEF ABSTRACT OF LETTER.

Recommends, in accordance with the resolution of the DB Bd, the entertainment of 3 caretakers each on Rs 4 p.m. to look after the newly constructed musafirkhanas at Sosale, Mugur & Talakad and the increase of pay to the Conservancy peon in the Sosale Union. T. Narasipur Taluq from Rs 6 to Rs 7 p.m.

NOTES AND ORDERS.

The proposals involve an additional recurring expenditure of Rs 156 per annum.

The necessity for increasing the pay of the Conservancy peon in the Sosale Union has not been stated.

The entertainment of 3 caretakers may be necessary

in the interest of the newly constructed buildings. But it is a point for consideration whether the sweeper of the lodge at Jalalkhal on Rs 6 p.m. can not be asked to look after the musafirkhana as well with a small extra allowance.

Though provision has been made for 8 Conservancy sweepers ~~worker~~ in the T. Narasipur Taluq under VI(a) in the D-7 budget only 4 have been actually entertained since 1905-06 on Rs 5 each so that there has been a saving of 4 × 5 × 12 = 240 Rs per annum under Conservancy establishment. If the Conservancy work in the T. Narasipur taluq is being efficiently done with only 4 sweepers during the past 4 years there is no reason why the savings should not be diverted and utilized for entertaining the proposed establishment proposed at present.

The financial condition of the District Board is shown to be not in a satisfactory condition

	Enquires Why the savings effected under Sweepers for the T. Narasipur Taluq should not be diverted to meet the cost of the additional establishment now proposed and whether the sweeper of the Talakad lodge may not be made to look after the Musafir Khana as well -
3	From the Same officer No 672 dated 18.3.1910 Reports that the Taluq Board is of opinion that the no of sweepers for the Taluq can not be reduced While the pay of the Sweeper Union deserves an increment of pay and recommends that ~~a~~ the arrangement of having one man to look after both the buildings at Talakad may be tried though the Taluq & District Boards consider it necessary to have two men for the purpose It will be seen from the copy of the resolution of the Taluq Board that only 4 sweepers have been entertained and that it is proposed to entertain 3 more while the number allotted as per budget provision is 8 for the T. Narasipur Taluq. Evidently the no allotted seems to be in excess of the actual requirements. The extra cost involved by the proposals of the District Board Taluq Board is 3 × 4 Rs + 1 = 13 Rs per mensem

While the same according to the Presidents proposal is 2 X 4 + 2 + 1 or 11 Rs per mensem. Submitted for orders as to whether the no. of sweepers for the T. Narasipur Taluq be reduced by 2 (resulting in a saving of Rs 10 per mensem) and the President's proposal sanctioned for the tentatively for 2 years. The financial branch will have to be consulted as the proposals involve additional recurring expenditure.

24.3.10

It does not seem desirable to reduce the budget provision for sweepers. The Taluk Board may be permitted to entertain the additional number of sweepers for whom provision is made in the budget if an application to that effect is made. As for caretakers for the three musafirkhanas at Sosale, Mugur and Talkad, the proposal of the Dist and Taluk Boards may perhaps be sanctioned. The difference in cost between that and the President's proposal is only Rs 2 a month and it does not seem expedient

It was understood to be a principle of finance not to increase the scale of pay of an appointment unless there were good and substantial grounds for doing so. The effect of increasing the pay of the peon at Sosale, for the reasons stated would be to increase the scale of pay of the appointment without good grounds and so, the increase was stated to be opposed to principle. Sir,

With reference to your docket No. 6676/LB.216-09-2 of the 3rd February 1910, regarding the entertainments of Cooly takers to the newly constructed musafirkhanas in the T. Narsipur Taluk, I have the honor to submit herewith the extracts from the Taluk and District Boards' proceedings dated 13th and 26th February 1910, respectively, resolving that though the two buildings viz Lodge and Musafirkhana, are close to each other, yet a seperate establishment is necessary for each on the ground that one man cannot attend to the requirements of

of travellers halting in the two buildings 12
at one and the same time. The Taluk
Board further resolves that the number
of Sweepers allotted for rural parts
cannot be reduced and that the peon
of the Local Union deserves an increment
of pay, as he is a long-standing servant
and as he is assisting in the collection-
-work also

2. I differ from the opinion expressed
by the District and Taluk Boards regarding
Separate establishment for the Lodge and
Musafirkhana at Talakad. A trial may
however be given to have one man for
both on a small extra allowance of Rs 2/-
per mensem.
